Wöhler Snap & Sweep®

Effective sweeping with rotating cleaning tools

With Wöhler Snap & Sweep® quick and thorough sweeping is a simple one man show.

Different cleaning tools can be connected to the sweeping rods with snap-in quick connectors. The perfect preparation for every on-site sweeping situation. The rods can be rotated by a cordless screwdriver or drill, so that even persistent soot will be easily removed. You can attach additional

rods in seconds, so that you only work with the rod length you need: Step by step, rod by rod you can work through the whole chimney. The Wöhler Snap & Sweep® carrying bag ensures clean transportation and a clean work area as well, because it can also be used as a protection pad. Simple. Quick. Professional. Your customers will be impressed!

- ▶ One system – numerous applications: Stainless steel chimneys, large brick chimneys, basic cleaning before reconstruction
- ▶ Stable, robust, flexible
- ▶ Gentle sweeping with brushes and nylon wires and powerful sweeping with chains
- ▶ One-man-operation: You do it all by yourself
- ▶ Snap-in quick connectors for quick handling
- ▶ Rotating power sweeping driven by cordless screwdriver or drill
- ▶ Perfect rod length for every job requirement
- ▶ Comfortable and clean transport in the carrying bag
- ▶ Stable plastic plug-in connection – Sweeping without damage even in stainless steel chimneys

Unused tools can be placed on the open carrying bag to keep the working area clean.

With just one click you affix the sweeping attachment to the rod.

The universal rotary head can be equipped with chains. So even persistent soot is no longer a problem for you.

For intensive cleaning, use a cordless screwdriver or drill to rotate the rod.

Cleaning rod Wöhler Snap & Sweep®
with snap in quick connectors, 1 m

Sweeping rods with snap-in quick connectors for connecting a cleaning attachment on one side and for connecting another rod or a cordless screwdriver on the other side.

Perlon brush
Wöhler Snap & Sweep®

Brushes in different sizes with snap-in quick connector for cleaning brick chimneys, stainless steel chimneys or plastic pipes.

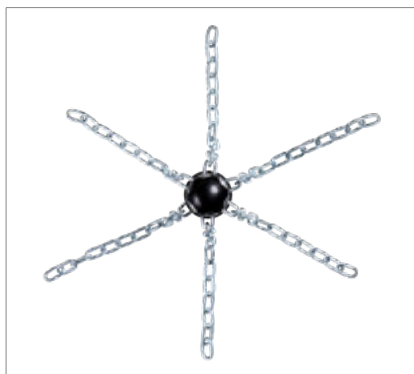

Carrying bag for rods
Wöhler Snap & Sweep®

Carrying bag for clean transportation of sweeping rods. Fully unrolled, the bag serves as a protection pad for storing tools during work.

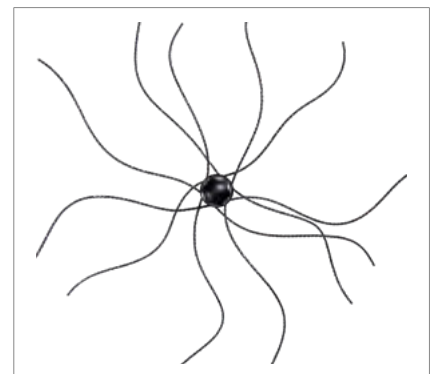

Universal rotary head
Wöhler Snap & Sweep®

Universal rotary head with snap-in quick connectors, for quick pick-up of chains or nylon wires. This allows you to be perfectly equipped for all requirements on site.

Stainless steel chain
Wöhler Snap & Sweep®

Stainless steel chain for removing persistent soot in brick chimneys. Simply hang it onto the universal rotary head.

Nylon wires
Wöhler Snap & Sweep®

Nylon wires for all kind of chimneys, even for sensitive clay pipes. Simply thread into the universal rotary head.

Drill adapter
Wöhler Snap & Sweep®

Drill adaptor for connecting the cleaning rods to a cordless screwdriver or drill.

Protection bag
Wöhler Snap & Sweep®

Protection bag for sweeping attachments for clean transportation and storage of the sweeping attachments.
